Shannon Yu
Balliol College

Dear Shannon

I am happy to tell you that, on the recommendation of your tutors and in recognition of your good work, you have been awarded a **Prosser Exhibition** with effect from Michaelmas Term 2022.

Congratulations on your award. The College is very keen to encourage good performances such as this and if your promise continues your Exhibition will be promoted to a Scholarship next year (worth £200).

Scholarships are usually awarded if you go on to achieve another First Class result (in either collections or examinations), provided that your other marks are predominantly in the 2.1 range and normally no mark is below 40.

Your award is worth **£150** and will be paid to you shortly. The funds will be paid to you shortly. If you would like a transfer into your bank account, please provide Lisa Carpenter with your bank details.

Your name as winner of this award will be kept on file in accordance with the Balliol College Privacy Policy. It will also be posted on the Balliol website and will appear in the Balliol Annual Record, which is sent to Balliol Old Members. Should you wish for your name not to appear in either of these places, you may opt out at any time by contacting the Student Finance Officer at student.finance@balliol.ox.ac.uk.

For some awards, the Development Office may report your name as winner of the award, along with your year and course, to the donor who has generously donated the funds. If you do not wish for your name to be reported, please contact the Student Finance Officer. The Development Office may also ask you for a brief comment, which will be sent to the donor. They will contact you directly should your assistance be required.

I congratulate you warmly on this achievement and wish you continued success in the future.

Yours sincerely

Dr Nicola Trott
